

This document is aimed at parents who are:

**1. Enquiry Parents:** You have sent an enquiry and wished to do an assessment. You have not received a seat offer or have not joined the tuition.

**2. Tuition Parents:** You have received the seat offer, paid the tuition fee and signed T&C and have already joined the tuition.

#### **Enquiry Parents - Online Assessment:**

- One assessment per subject containing questions from a variety of topics
- To assess the suitability of new pupils who wish to join the tuition
- To help parents give an idea about the expected level
- Chargeable only if a seat is offered
- There are plans to give support to students even if they are declined admissions now so that they get in sync and can join at a later date

#### **Tuition Parents - Online Quizzes:**

- Available only to existing tuition students
- Usually are by subject and by topic, i.e. one quiz per topic.
- On-going practise using the quizzes available
- Regular monitoring of student's progress by the tutor
- Facilitate parents to identify any weaker areas and work on these at home
- Not chargeable at the time of writing this document. If the free content is discontinued, you'll be notified well in advance to take further actions.

As you may know, there are significant efforts that go into designing these assessments and making sure that these are 'fit for purpose. Therefore, the details are **confidential**, and the contents are **copyrighted**. It means you can't copy/paste, take photos or print screens etc.

- The online assessment is 'single attempt' only. If there is an IT/Hardware/404 or any other error that happens during the test, we cannot conduct another assessment, and you may not be considered for admission.
- The attempt is counted when you click the Start button.
- Most of the online quiz would have one or more attempts which would be counted upon clicking the Start button. The tests are timed and may give you the results at the end. It may not give you the incorrect questions (this is to protect the confidentiality of content).
- Parents may help the child to log in, select a quiz and click Start. But the student must take the assessment independently, i.e. with no help from the parents.
- The Terms & Conditions are available at <https://www.ace11plustuition.co.uk/legal>.
- Every effort would be made to provide more assessments, but the service may be withdrawn due to any unforeseen circumstances, and a reason would not be provided.
- We have tried our best to eliminate any human errors, but very few questions may have typos. We have started with Maths quizzes but plan to roll out for VR. The English and NVR may mainly be covered in the classroom only. The Year 4 assessment (entry) is for Eng and Maths only.

- There is no folder view. From time to time, the older quizzes would be archived, and newer quizzes would be added to give the best view to students. If your child was unable to do a particular assessment, it is not possible to re-enable the assessment just for him/her.
- We aim to help students with these online assessments. However, if you don't like the facility, you may discontinue using the online assessments anytime.
- Our account can only hold a finite number of test takers. If you are planning to leave the tuition (or not join our tuition), you must not register or use the online assessments. We would also disable the users who leave the tuition or who are not using the online actively. Kindly note that you may not be notified before being disabled or removed from the online platform.

## **Steps**

### **1. The tutor would pre-register your child and provide you with the following**

- **Unique user id**
- **Password**
- **Classroom link**

Click on the link below to go to your online classroom:

<https://www.proprofs.com/classroom/?ID=2364763>

### **2. Parents to log in on the classroom link and complete the consent form with a 100% score**

**3. You may notify the tutor upon completing the consent form. Your view is switched (manually) to display the assessments.**

## Here are some snapshots of the consent form.

### Tick all the boxes of the Consent form

- \* 1) I agree that the registration link is **confidential** and should be used to create only one user to access the secured online classroom.

True

False

- \* 2) I have understood that **AshACE Online** is a facility to attempt online assessments. It is provided by ACE Publications Limited (company number 07392004). I have read and agree to the Terms and Conditions available at [AshACE Online Terms & Conditions](#)

True

False

- \* 3) Select the ones that you agree with:

I have understood that the contract is formed between AshACE Online and me when I register using the secure link and complete this quiz with 100% marks.

I have understood that the assessments are strictly confidential and copyrighted. For example I am not allowed to copy/paste the contents, print screen or take photos. I agree to the 'user obligations' which are the key part of this contract. Any actions to infringe the copyright may lead to the service withdrawn permanently.

I understand that it is a free service and the online assessment facility may be withdrawn temporarily or permanently at the discretion of management and a reason may not be provided.

I have understood that my child will take the assessments online **independently** using the unique id and password. The results would be used to assess the weaker areas where additional focus is needed.
