Notes
<i>Please try to purchase Kindle device from Amazon as they are very good at replacing any faulty/damaged products.</i>
<i>You have to purchase these books from Amazon and then download onto your Kindle device.</i>
<i>You can read them in any order but it is strongly suggested that your child reads one classic every other week. Your child may start reading from the more interesting ones such as 'The series of unfortunate events' as that may encourage reading.</i>
<i>The list is based on our experience, you may choose to ignore any books from the above list and buy any other books if you prefer.</i>
<i>Some books are free on Amazon while others are payable.</i>
<i>Enable the option 'Word-wise' on Kindle and 'Vocabulary Builder'.</i>
<i>Note that you may still prefer to not buy Kindle and continue reading on paper books. We are recommending what has worked for our students in the past. It is an additional expense but helps significantly to build up comprehension and vocabulary skills.</i>
<i>The next set of books would be issued in Jan 2020.</i>
